

# Mountain View High School Class of 2018 Unleashed Memories

January 25, 2018

Dear Senior Parent/Guardian:

You are invited to participate in one of the most special activities in Senior Week. Each year, parents/guardians are asked to collect letters from family and friends to be given as a **surprise** to the seniors. As senior class sponsors, we have witnessed how special and emotional this is for the seniors.

This project, called **UNLEASHED MEMORIES**, is put together by the Senior Class Sponsors to celebrate the achievements of this year's graduating seniors. Every senior will receive a folder that contains letters congratulating him or her, as well as wishing him or her luck for the future.

The entire student body and faculty will be given the opportunity to write to any seniors that they would like. We would also like you to write a letter to your senior and any other seniors that are special to you or your family.

We also encourage you to invite any other family members, neighbors, friends of the family, etc. to write your senior a letter. We want them to be extremely surprised when they open a letter from you, the neighbor who has watched him/her grow up, the grandparent who lives in another state, etc. Therefore, we urge you to keep your participation a **secret**.

Please refrain from turning in anything other than letters for your senior. In the past, we have received candy, books, jewelry, stuffed animals, and many other gifts for seniors for our letter writing initiative. These gifts will not be accepted and should be given at another time to celebrate graduation.

We hope that you will take part in this project. It is very important that every senior have letters so that they do not feel left out.

**This year we are asking that parents collect the letters for their senior and put them in a large brown envelope with the senior's name on the outside of the envelope. Please send only the envelope to the school. Once you have gathered all your letters please mail them to the address below or drop them off in the front office to the attention of Mrs. Holcombe.**

**Please place the SENIOR NAME in the lower left corner of the envelope.**

**The deadline for all letters to be received is Friday, March 30<sup>th</sup>, 2018.** If letters are received after this date, you will be asked to keep them and give them to your senior when you determine a good time to do so. This is a big initiative with over 600 seniors, so your timeliness is appreciated.

Thank you,
